### Why is this document important?

This Product Disclosure Statement (PDS) is an important legal document that contains details of your Suncorp Strata Insurance if you purchase this product from us. Before you decide to buy this product from us, please read this PDS carefully. If you purchase this product, your policy comprises of this PDS and your certificate of insurance which shows the details particular to you.

The information in this PDS was current at the date of preparation. We may update some of the information in the PDS that is not materially adverse from time to time without needing to notify you. You can obtain a copy of any updated information by visiting [suncorp.com.au](http://suncorp.com.au) or by contacting us on **13 11 55**. We will give you a free paper copy of any updates if you request them.

In some circumstances the terms and conditions of this PDS may be amended by a Supplementary PDS (SPDS).

### PED Guide

Throughout this PDS you will be referred to a guide called: Premiums, Excesses, Discounts and Claim Payments Guide, indicated as 'Refer to the PED Guide for further information'. This guide will provide you with further information and is available at [suncorp.com.au/moredetails](http://suncorp.com.au/moredetails). You can obtain a copy on request, at no charge, if you contact us.

### Communicating with you

We may agree to send your policy documents and policy related communications electronically. This will be by email and/or other types of electronic communication methods. Policy documents and policy communications will be provided to you in this way until you tell us otherwise or we tell you it is no longer suitable. If we agree to communicate with you electronically, you will need to provide us with your current email address and your Australian mobile phone number.

Each electronic communication will be deemed to be received by you at the time it leaves our information system.

### Cooling off period

After this insurance begins or you renew your policy for another period of insurance, you have **21** days to consider the information in your PDS. This is called the 'cooling off period'. If you wish, and provided you have not made a claim, you can exercise your cooling off rights within **21** days from the day cover began or was renewed. When you exercise your cooling off rights, we will refund in full the money you have paid for that period of insurance but you will have no cover from when your policy would have otherwise begun or from your renewal date.

Alternatively, you can cancel your policy at any time during the period of insurance. When you do this, and unless we tell you otherwise, you will have cover up until the date of cancellation. For more information see 'Cancellation by you' on page 53.

### Who is this product designed for?

This product is designed to provide cover for small residential strata titled properties, community titled properties or residential properties associated with a body corporate or owners corporation. The policy will provide cover to buildings and common areas that are the responsibility of the body corporate or owners corporation for insurance purposes according to the relevant legislation in your state. You may also choose to cover any common contents under this policy.

## Your duty of disclosure

You have a duty of disclosure to tell us everything you know, or could reasonably be expected to know, is relevant to our decision to insure anyone under the policy, including you, and on what terms.

It includes matters we specifically ask about when you apply for a policy, or renew or alter your policy, and any other matters which might affect whether we insure you and on what terms.

The information you tell us can affect:

- the amount of your premium;
- if we will insure you;
- if special conditions will apply to your policy.

You do not need to tell us of anything which:

- reduces the chances of you making a claim; **or**
- we should know about because of the business we are in; **or**
- we tell you we do not want to know.

If you are unsure it is better to tell us. If you do not tell us something which you know or should know is relevant, we might reduce a claim, refuse to pay a claim, cancel your policy or, if fraud is involved we can treat the policy as if it never existed.

## Claims made and notified basis of coverage: Office bearer's liability

The office bearer's liability cover under the office bearer's liability additional cover (see page 29) is issued on a 'claims made and notified' basis. This means that your office bearers are covered for claims first made against them during the period of insurance and notified to us during the period of insurance, provided that you were not aware at any time prior to the start of your policy of circumstances which would have put a reasonable person in your position on notice that a claim may be made against you.

Any office bearer may decide to notify us of facts that might give rise to a claim against them. This notification must be given as soon as reasonably practicable after the office bearer becomes aware of the facts and prior to the period of insurance expiring. If the office bearer, respectively, gives us such written notification of facts, the policy will respond even though a claim arising from those facts is made against the office bearer after the policy has expired. When the period of insurance expires, no new notification of facts can be made.

## Exclusion for new policies

We do not insure you for bushfire, storm, flood or tsunami in the first **72** hours of your policy. Very limited exceptions apply. For full details see 'General exclusions' on pages 35 to 39.

## More than one named insured

If there is more than one named insured on your certificate of insurance, we will treat a statement, act, omission, claim, request or direction (including to alter or cancel your policy) made by one as a statement, act, omission, claim, request or direction by all those named as insured on your certificate of insurance.

## Some words in your policy have special meanings

Some words when used in this PDS have special meanings. Most of the words with special meanings are defined in the 'Words with special meanings' section on pages 54 to 57.

# Summary of important claims information

This summary lists some of the important information to consider when making a claim. This is a summary only and there are other things you should be aware of when making a claim. For more details see pages 40 to 52.

## Making a claim

It is important that you contact us as soon as possible after the loss or damage has occurred. You must also take reasonable steps to prevent further loss or damage.

**More details page 40**

## Establishing your loss

You will need to prove that an incident covered by your policy has occurred and also the extent of the loss or damage you have suffered.

**More details page 42**

## Proof of ownership

We may ask for proof of ownership in the event of a claim.

**More details page 42**

**More details page 44**

# About your sum insured

## What is a sum insured?

The sum insured is the most you can claim for any one incident unless stated otherwise in this PDS. The amount is shown on the certificate of insurance or in this PDS and includes GST.

## Make sure your sum insured is adequate

Underinsurance can expose you to serious financial loss if a claim occurs. It is your responsibility to make sure your building and common contents are insured for their full 'new for old' replacement value.

## Review your sum insured regularly

You need to ensure that the sum insured is sufficient when you first insure the building and common contents and each time you renew your policy. To ensure your sums insured are adequate it is important to review them regularly, being mindful of any additions, enhancements or renovations that you may make and items purchased recently and ask us to change the sums insured when required.

## If you over-insure

We will not pay more than it costs us to rebuild, repair or replace your building or common contents. We will not refund any premium paid for over-insuring.

## Adjustments on renewal

We automatically adjust the building sum insured and common contents sum insured on your certificate of insurance at the end of each period of insurance to account for various factors including inflationary trends.

# About your premium

The premium is the amount you pay us for this insurance and it includes stamp duty, GST, other government charges and any fire services levy (FSL) that applies. The total amount payable will be shown on your certificate of insurance or, if you pay by instalments, the amount due each month will also be shown on your certificate of insurance as 'monthly instalment'.

In addition to your sum insured, we use many factors about you and your building and common contents to work out your premium. These are called premium factors. The premium factors we use reflect the likelihood of you making a claim together with other factors related to our cost of doing business.

Each time you renew your insurance your premium is likely to change, even if your circumstances have not changed. This is because premiums are affected by other things such as our expenses of doing business and changes in our approach to how we calculate your premium.

Your premium includes any discounts we have given you.

[Refer to the PED Guide for further information](#)

# Paying your premium

We will tell you how much you have to pay and how much time you have for payment on your certificate of insurance. You must pay the premium by the due date to get this insurance cover. You can pay in one annual payment or, if we agree, by instalments. If you pay your premium by instalments it costs you more than if you choose to pay your premium in one annual payment.

Unless we tell you, any payment reminder we send you does not change the expiry or due date. If you do not pay the full amount, we may reduce the period of insurance so it is in line with the amount you paid.

If you make a change to your policy details it may affect your premium you need to pay for the remainder of your period of insurance.

## Late annual payments

If you do not pay your premium by the due date in the first year of insurance with us, we will give you a written notice of policy cancellation where we are required by law to do so.

If you do not pay the premium due on renewal by the due date, you will have no cover from the due date.

If we accept your late payment, we might recommence your cover from the date we receive your payment. If so, you will have no cover for the period from the due date until the date of payment.

## Overdue monthly instalments

If you pay your premium by instalments and your instalment is overdue, we can do one or both of the following:

- refuse to pay a claim if an instalment is **14** days (or more) overdue;
- cancel your policy without notifying you in advance if an instalment is **1** month (or more) overdue.

# Your responsibilities

## You must:

- keep your building and any common contents well maintained and in good condition. For what we mean by ‘well maintained and in good condition’ see ‘Words with special meanings’ on pages 54 to 57;
- take all reasonable care to prevent theft, loss, damage or legal liability;
- follow all the terms and responsibilities set out in your policy;
- provide honest and complete information for any claim, statement or document supplied to us;
- ensure that your building complies with local government and other statutory requirements at all times.

## Not meeting your responsibilities

If you do not meet your responsibilities, it may lead us to do one or both of the following:

- reduce or refuse to pay your claim;
- cancel your insurance policy.

## When your building will be unoccupied for more than 60 days

We will apply the unoccupied excess to each incident covered by your policy unless your policy states that no excess applies to your claim if, at the time of the incident, the building has been unoccupied for more than **60** continuous days.

A period of unoccupancy starts when the building becomes unoccupied and comes to an end when you, someone nominated by you, a unit owner or someone nominated by a unit owner has occupied the building for at least **2** consecutive nights. You may be asked to prove the occupancy of the building in the event of a claim. This may be supported by the usage of the utilities that are connected to the building. Sometimes we might ask for other evidence of occupancy. We will decide if the unoccupied excess applies.

If you have to pay an unoccupied excess it is payable in addition to any other excess that applies to your claim. For more details about the unoccupied excess, see page 43.

- any loss or costs not covered by your policy.

### Defect, structural fault or design fault

# Claims

## Making a claim

Contact us as soon as possible if you suffer loss or damage, or if there is an incident that could result in a claim.

### What you must do

**Step 1 Make sure everyone is safe. For emergencies, please call 000.**

**Step 2 Try to prevent further loss or damage.**

If possible take reasonable steps to prevent further loss, damage or liability (e.g. if there is a hole in the roof, arrange for it to be covered to prevent further water damage from the rain).

**Step 3 Immediately report any theft and malicious damage to the police.**

Give them a list of all stolen or damaged items. Keep details of the date reported, name of the police officer, police station reported to and the report number.

**Step 4 Contact us as soon as possible on 13 25 24.**

You can call us 24 hours a day. If you delay reporting your claim, we may not pay for any additional loss or damage caused by your delay.

Describe details of what has been affected by the event (e.g. a broken window, storm damage or a list of stolen items).

**Note:** If the damage to your building or common contents was caused by another person, please provide us their name and address or, if applicable, their registration details.

### How the Goods and Services Tax (GST) affects this insurance

You must tell us about the input tax credit (ITC) you are entitled to for your premium and your claim, each time you make a claim. If you do not give us this information or if you tell us an incorrect ITC, we will not pay any GST liability you incur. Our liability to you will be calculated taking into account any input tax credit to which you are entitled for any acquisition which is relevant to your claim, or to which you would have been entitled were you to have made a relevant acquisition.

This outline of the effect of the GST on your policy is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to your particular circumstances.

### Legal liability or office bearer's liability claims

In this section 'plaintiff' means the person or entity making a claim against you or your office bearers.

You must tell us about any incident that has caused an injury to others or damage to other people's property.

You also must immediately tell us about any demands made on you to pay compensation to others and any court actions or offers of settlement and send these to us.

If you make a legal liability claim that is covered under your policy we can at our full discretion decide to defend you, settle any claim against you or represent you at an inquest, official enquiry or court proceedings.

If we decide to defend you, settle any claim against you or represent you, then you and your office bearer must give us all the help we need, including help after your claim is settled.

If we have legal advice that the sum insured will not be enough to fully compensate the plaintiff's claim and we think a court is likely to award more than this amount, our liability will be limited to the amount of the sum insured plus proportionate defence costs.

If you or your office bearer refuses to consent to any settlement recommended by us, our liability in relation to such claim will not exceed the amount for which the claim could have been settled (including costs and expenses incurred) up to the date of the refusal, subject to our solicitor's legal opinion. The cost of obtaining such legal opinion will be advanced by us as defence costs.

### To process the claim, you must

- allow us to inspect the damaged building and/or common contents;
- allow us to arrange for experts to assess the damaged building and/or common contents and to quote on repair or replacement;
- provide us with a quote for repair or replacement if we ask for this. If you choose to use our recommended repairers (when available), there is no need to obtain your own quotes;
- when requested, provide us with all proofs of ownership and value, information, co-operation and assistance in relation to a claim (including giving evidence in court) as we may reasonably require;
- allow us, or a person nominated by us, to recover, salvage or take possession of your building and/or common contents. When we ask, you must send any items to us, or cooperate in our collection or retrieval of such items;
- consult an expert if we ask for this.

### What you must not do

- do not dispose of any damaged parts or items of your building or common contents without our consent;
- do not carry out or authorise repairs without our consent **unless** you cannot contact us and need to make emergency repairs to protect your building or common contents (see additional feature 'Emergency repairs' on page 25);
- do not wash or clean or remove debris from any area damaged by fire without our consent **unless** you need to do this to prevent further loss;
- do not admit liability or responsibility to anyone else **unless** we agree;
- do not negotiate, pay or settle a claim with anyone else **unless** we agree;
- do not accept payment from someone who admits fault for loss or damage to your building or common contents. Refer them to us instead.

### If you do not comply

If you do not comply with 'What you must do' and 'What you must not do' we can reduce or refuse your claim and/or recover costs from you or cancel your policy.

### If we decline a claim

We will provide reasons for our decision to decline and if you decide to lodge a claim, we will send you written confirmation of our decision.

# How to establish your loss

## Establish an incident took place

When making a claim you must be able to prove that an incident covered by your policy actually took place. If you do not do this, we will not be able to pay your claim.

We may obtain the following from the police:

- confirmation that you reported the incident;
- details of any investigations they undertook.

You must give us authority to access these records, if we ask.

## Describe your loss or damage

You must also give us accurate and full details of what was lost, stolen or damaged and give us proof of value and ownership for items claimed if we request it.

## When your building or common contents are damaged

Allowing us, a repairer or an expert appointed by us, to look at what is damaged is usually all that is needed to prove your loss. Sometimes though we might ask you to produce a copy of the most recent plans and drawings for your building, photographs of your building and/or common contents or other evidence that supports the extent of the loss you have suffered. For valuable and badly damaged items, we may ask you to provide proof of ownership and value.

If we decide that you are unable to reasonably substantiate your claim, we might reduce or refuse your claim.

## How to prove ownership and value

For lost, damaged or stolen items that are no longer available for inspection, you must validate your claim by giving us details of when and where they were purchased and reasonable proof of ownership and value.

We will decide what is reasonable proof of ownership and value depending on what you are claiming for, how old they are and their value. A statutory declaration is not of itself considered acceptable evidence of proof of ownership and value.

If you are unable to reasonably substantiate your claim, we can reduce or refuse your claim.

# Your excess

## What is an excess?

An excess is the amount you have to pay for each incident when you make a claim. Sometimes you might have to pay more than one type of excess. The amount and types of excess are shown on your certificate of insurance or in this PDS.

The types of excesses are:

<b>Standard excess</b>	This excess applies to all building and common contents claims <b>unless</b> stated otherwise. You can choose your standard excess from the range we offer. The amount of the standard excess applied to the building can be different to the standard excess applied to the common contents.
<b>Additional excess</b>	In some circumstances, an additional excess may apply based on our assessment of the risk. This excess is payable in addition to any other excess <b>unless</b> stated otherwise in this PDS or your certificate of insurance.
<b>Water damage excess</b>	This excess applies in addition to any other excess if you make a claim for loss or damage caused by leaks in pipes and water containers, <b>unless</b> otherwise stated in the PDS.
<b>Earthquake and tsunami excess</b>	This excess applies in addition to any other excess if you make a claim for loss or damage as a result of an earthquake or tsunami, <b>unless</b> otherwise stated in the PDS.
<b>Theft or burglary by tenants or their guests excess</b>	For any claim under the insured incident 'Theft or burglary by tenants or their guests' (see page 17), this excess will apply in addition to any other excesses that apply.
<b>Malicious acts or vandalism by tenants or their guests excess</b>	For any claim under the insured incident 'Malicious acts or vandalism by tenants or their guests' (see page 20), this excess will apply in addition to any other excesses that apply.
<b>Unoccupied excess</b>	This excess applies in addition to any other excess, <b>unless</b> stated otherwise in the PDS, if, at the time of the incident covered by your policy, the building has been unoccupied for more than <b>60</b> continuous days.

## When you claim for both building and common contents

When both your building and common contents at the one insured address are insured with us under your policy and your claim is for loss or damage to both arising from the same incident, you must pay whichever is the higher of your standard excesses (plus any other applicable excesses).

## When we may waive your excess

When you make a claim for damage to your building or common contents and the incident covered by your policy was caused by another person **but not** people within the definition of 'you', a unit owner, the tenant (or their guest) of a unit owner and we agree, we may waive the excess that would normally apply if you give us the name and address of the person responsible for the damage or, if applicable, their registration details.

## How to pay your excess

When you make a claim we will choose whether to deduct the applicable excesses from the amount we pay you or direct you to pay the excesses to us or to the appointed repairer or supplier. We may require you to pay the excesses in full before we pay your claim or provide any benefits under your policy. The fact we have asked for payment of your excess does not of itself mean that your claim has or will be accepted by us either in whole or in part.

**Refer to the PED Guide for further information**

# How we settle your claim

## We choose how we settle building claims

If we agree to pay a claim for loss, theft or damage to your building, we will decide if we will:

- repair damage to your building;
- rebuild your building;
- pay you what it would cost us to repair or rebuild your building;
- pay you the sum insured for your building;
- give you a voucher, store credit or stored value card for the amount it would cost us to repair or rebuild an item.

If we rebuild (or pay you what it would cost us to rebuild), we will do so on a 'new for old' basis.

If we repair (or pay you what it would cost us to repair), we will at our option repair on a 'new for old' basis or repair to a similar condition to what your building was in before the loss or damage occurred.

If we choose to pay you what it would cost us to repair or rebuild your damaged building, you are not eligible for an extra amount under the additional features 'Other repair/rebuilding costs' or 'Resilience improvements'.

Unless we tell you otherwise, we will deduct any amounts you owe us from any amount we owe you.

## We choose how we settle common contents claims

If we agree to pay a claim for loss, theft or damage to your common contents, we will decide if we will:

- repair damage to the common contents;
- replace your common contents 'new for old';
- pay you what it would cost us to repair or replace your common contents;
- pay you the sum insured for your common contents;
- give you a voucher, store credit or stored value card for the amount it would cost us to repair or replace the common contents.

If we replace (or pay you what it would cost us to replace), we will do so on a 'new for old' basis.

If we repair (or pay you what it would cost us to repair), we will at our option repair on a 'new for old' basis or repair to a similar condition to what your common contents were in before the loss or damage occurred.

Unless we tell you otherwise, we will deduct any amounts you owe us from any amount we owe you.

## We will not:

- pay more than the relevant sum insured or policy limit;
- pay extra to replace your building or common contents to a better standard, specification or quality than they were before the loss or damage occurred **except** as stated in meaning of 'new for old';
- fix a fault that existed before the loss or damage occurred.

### **‘New for old’ means:**

- we rebuild, replace or repair with new items or new materials that are available at the time of replacement or repair from Australian suppliers;
- we rebuild, replace or repair new for old regardless of age, with no allowance for depreciation; For example, outdoor furniture in a common area, including tables and chairs, which were purchased 5 years ago for **\$5,000** and now worth **\$2,000**, will be replaced with brand new outdoor furniture equivalent to your old outdoor furniture when it was new. Cover is not limited to **\$2,000**.
- we replace or repair to the same type, standard and specification (but not brand) as when new. If the same is not available, it means of a similar type, standard and specification (but not brand) when new. We can replace with a different brand.

### **‘New for old’ does not:**

- include paying the extra cost of replacing or purchasing an extended warranty on any item;
- mean of a better standard, specification or quality than when new.

### **When items may be replaced to a better standard**

#### **Refrigerators, freezers, dishwashers, air conditioners, washing machines and dryers with less than a 3 star energy rating**

For these items when being replaced, ‘new for old’ means replacing with a new item of equal specification (but not brand) and if you agree, it means replacing with a minimum 3 star energy rating if this is available. It can be a different brand.

#### **Obsolete electrical appliances**

For obsolete electrical appliances such as outdated dishwashers or air conditioners ‘new for old’ means, replacing or repairing to an equal specification (but not brand). If this is not available, it means to the nearest better specification available. It can be a different brand. We do not insure electrical or electronic items that are no longer able to be used for the purpose they were intended.

### **When items cannot be replaced ‘new for old’**

For these items (such as paintings, pictures and works of art in a common area), ‘new for old’ means that if the item cannot be replaced ‘new for old’ or repaired, we will pay you what it would have cost to buy the item immediately before the loss or damage occurred, up to the relevant limit.

# Building claims

This section relates specifically to a claim made on your building policy and is in addition to the information in 'How we settle your claim' on pages 44 and 45.

## When we authorise the repair or rebuilding of your building

If we need to source material in order to repair or rebuild your building, we will do our best to obtain new materials that are the same type, standard and specification. If the same is not available, we will use new materials of a similar type, standard and specification that are commercially available and compliant with current building regulations.

We may enter into any building contract with the selected repairer and/or supplier on your behalf. We will oversee the repairs and keep you informed of their progress.

If you decide not to repair or replace your building, or do not commence repair or replacement within **6** months of the date the loss or damage occurred, we will only compensate you for what it would have cost to repair or replace your building at the date of the loss or damage.

## When we cannot match materials

**If we cannot find new materials to match undamaged parts, we will use the closest match available to us.**

**If you are not satisfied with the materials we find as the closest match before we repair your building:**

If we agree, you can pay the extra cost of replacing undamaged parts of your building to achieve a uniform appearance.

Or we will pay you what it would have cost us to repair or rebuild the damaged part.

## Repairing or rebuilding damaged parts

We will only repair or rebuild the parts that are damaged in the incident covered by your policy. You cannot claim to replace undamaged parts of your building to create a uniform appearance, such as when:

- **one garage door is damaged**  
we will only replace or repair the damaged one, not other doors.
- **roof tiles are damaged**  
we will only replace the damaged ones, not the undamaged tiles, even if the undamaged tiles are faded and do not match the new ones used for repairs.
- **roof sheeting is damaged**  
we will only replace the damaged roof sheeting, not the undamaged roof sheeting, even if the closest match available to us is a different shade, colour, finish, material or profile to the undamaged roof sheeting.
- **an external wall is damaged**  
we will replace the damaged parts of the wall, not undamaged areas of the wall or other sides of your building.

For the limited circumstances where we will repair or rebuild undamaged parts read the section below.

## When we will repair or rebuild undamaged parts

If we cannot match the materials with the undamaged parts, we will pay extra to create a uniform appearance when:

– **wall tiles are damaged**

we will pay up to **\$750** extra for each incident covered by your policy to replace undamaged wall tiles in the same room, stairs, hallway or passageway\* so they match or complement new tiles used for repairs.

– **other wall coverings are damaged**

(e.g. paint, wallpaper, wood panels, but not tiles) we will pay extra to paint, wallpaper or replace undamaged wall coverings in the same room, stairs, hallway or passageway\* where the damage occurred.

– **floor coverings are damaged (including tiles)**

we will pay extra to replace continuously joined undamaged floor coverings of the same material in the same room, stairs, hallway or passageway\* where the damage occurred.

– **kitchen cabinets, cupboards or benchtops are damaged**

see 'Repairing or replacing kitchen cabinets, cupboards or benchtops' below.

\* For the meaning of these terms refer to the diagrams on pages 48 and 49.

## Repairing or replacing kitchen cabinets, cupboards or benchtops

### We will repair damaged parts of your kitchen

We will repair the damaged parts of your kitchen cupboards, cabinets or benchtops.

### When we will replace undamaged parts of the kitchen

To create a uniform appearance, we will pay extra to replace undamaged parts of the same cupboard, cabinet or benchtop so that they match the repaired parts.

Same cabinet, cupboard or benchtop means:

- those parts continuously joined to the damaged parts (this is one 'section');
- made out of the same materials; **and**
- on the same level.

See the case study on page 48 for a visual explanation.

**Note:** Sometimes replacing the benchtop, door fronts or drawers in the undamaged area is all that is necessary to create a uniform appearance. We will decide what is necessary depending on the circumstances.

## Case study

The extent of repairs carried out to match undamaged areas in a kitchen.

**To match undamaged areas to the damaged parts, they must be:**

- continuously joined; **and**
- on the same level; **and**
- made of the same material.

**In this kitchen case study**

Areas 1, 2 and 3 will be treated as separate sections. The oven breaks up the bottom level into two sections (e.g. if only section 2 is damaged, we will not pay to replace sections 1 and 3).

## What we mean by same room, stairs, hallway or passageway

### Same room

**A room is an area starting and finishing at:**

- its nearest walls;
- nearest doorway, archway or similar opening of any width;
- a change in the floor or wall covering.

A hallway next to a room is not the same room, even if it has the same floor or wall covering as the room.

Any archway or similar opening separates a room **unless** it is a combined lounge-dining room (below).

### Combined lounge-dining room

We will only combine rooms with a shared doorway, archway or similar opening when:

- they are lounge and dining rooms: **and**
- the shared doorway, archway or similar opening is wider than **82cm**; **and**
- the floor or wall covering is the same in both rooms.

### Open plan areas

When there is no wall, archway, doorway or similar opening, the room continues until:

- a change in the floor or wall covering;
- the nearest wall, doorway, archway or similar opening.

### Same passageway or hallway

A passageway or hallway has the same meaning as a room. We will not combine a hallway and a room.

### Same stairs

Side view of stairs

#### Legend

-  Shaded areas show the area that we consider the same room, stairs, hallway or passageway.
-  Solid lines represent floor to ceiling walls.
-  Dotted lines show boundaries of a room or area where there is no physical barrier present (e.g. no wall or door).

## Dealing with defects

### If a known defect is the cause of the damage

We do not pay for loss or damage caused by a defect, structural fault or design fault at your building that you knew about (or should reasonably have known about) and did not fix before the loss or damage occurred.

### If an unknown defect is the cause of the damage

If an incident covered by your policy damages your building and an unknown defect was the cause or part of the cause, we will pay for the resulting damage. If the unknown defective part of your building is also damaged by the same incident, we will fix this as well.

### We do not rectify structural or design faults

When we accept a claim, we will not pay extra to rectify a structural or design fault at your building that you knew about (or should reasonably have known about). We will only pay you what it would have cost us to fix the damage from the incident covered by your policy, or if we agree, you can pay us the extra amount it costs to rectify the structural or design fault at your building.

### If undamaged defective parts of your building will not support repairs

If undamaged defective parts of your building you knew about (or should have reasonably have known about) will not support repairing the damage caused by an incident covered by your policy, we will only pay what it would have cost us to repair the damage had your building not been defective.

### For known defects or faults

Once you become aware of a defect, structural or design fault at your building, you must rectify it as soon as possible because there is no cover for loss or damage due to that defect. If you do not rectify the defect or fault, you may not be covered or we might not offer a renewal of your policy.

## Changes to your building

### If you want to change the design of your building

When rebuilding your building, if we agree, you can choose to change the design of your building or upgrade parts of it, providing you pay the extra costs of doing this. If you want to downsize your building for less cost than you are entitled to claim, we will not pay more than it costs us to rebuild the downsized building.

### Choosing to rebuild on another site

If your building is to be rebuilt after an incident covered by your policy, you can choose to have your building rebuilt on another site providing you pay any extra costs involved.

## Lifetime guarantee on building repairs

When we repair or rebuild your building, we guarantee the quality of materials and workmanship of that work for the lifetime of your building if we:

- authorise;
- arrange; **and**
- pay the builder or repairer directly for this work.

### What we guarantee

We guarantee the material used and standard of the workmanship to be free of defects. If a defect arises in the lifetime of your building as a result of poor quality workmanship or use of incorrect materials, then we will rectify the problem.

### This guarantee does not apply:

- to repairs you authorise or make yourself;
- to loss, damage or failure of any electrical or mechanical appliances or machines;
- to wear and tear consistent with normal gradual deterioration of your building (e.g. paint peeling off after its expected life cycle, wood rotting from moisture in the air or ground, roofs weathering or a hot water tank leaking after its guaranteed life);
- where we agree with a repair quote and we give you, or the builder or repairer, payment for the cost of the repairs and you arrange the repairs.

# Common contents claims

This section relates specifically to a claim made on your common contents policy and is in addition to the information in 'How we settle your claim' on pages 44 and 45.

## When we repair or replace your common contents

If we choose to repair damage to the common contents or replace the common contents, we will repair or replace with items or materials that are reasonably available at the time of repair or replacement from Australian suppliers.

We will do our best to replace to the same type, standard and specification (but not brand) as when new. If the same is not available, we will replace with items or materials of a similar type, standard and specification when new. It can be a different brand.

## When we cannot match materials

**If we cannot find a contents item match we will use the closest match reasonably available to us.**

**If you are not satisfied with what we choose before we repair the contents:**

If we agree, you can pay the extra cost of replacing undamaged parts of your common contents to achieve a uniform appearance.

Or we will pay you what it would have cost us, but only if we agree to this.

## Items that form part of a set or collection

We will only repair or replace common contents that are lost or damaged by an incident covered by your policy. You cannot claim to replace undamaged parts of the common contents (e.g. when an outdoor chair which is part of an outdoor furniture suite is damaged beyond repair. We will pay to replace that chair, not the whole outdoor suite).

## When we will repair or replace undamaged common contents

We will only repair or replace common contents that are lost or damaged by an incident covered by your policy. You cannot claim to replace undamaged common contents or undamaged parts of common contents.

But there are limited circumstances where we will repair undamaged parts of common contents to create a uniform appearance, when:

- **internal window coverings in common areas** if we can't match the new material or parts with the undamaged ones, if necessary, we will pay extra to replace undamaged window coverings in the same room, stairs, hallway or passageway\* where the damage occurred.
- **carpets or other floor coverings in common areas** if we can't match the new material or parts with the undamaged ones, if necessary, we will pay extra to replace undamaged floor carpets and other coverings in the same room, stairs, hallway or passageway\* where the damage occurred.

\* See pages 48 and 49 for 'What we mean by same room, stairs, hallway or passageway'.

## If you want to change the common contents

When repairing or replacing the common contents, if we agree, you can choose to change the make and model of the common contents item or upgrade to a different make and model of it, providing you pay the extra costs of doing this. If you want to downsize the common contents item for less cost than you are entitled to claim, we will not pay more than it costs us to repair or replace the downsized common contents item.

# Other claims information

## Potential impact on cover and premiums

### **After a building claim**

If we only pay part of the sum insured to you, your building policy continues for the period of insurance.

If we pay the full sum insured to you, all cover under your building policy stops. There is no refund of premium. If you have been paying premiums by instalments, we will deduct the remaining instalment premiums for the unexpired period of insurance from the amount we pay for the claim.

### **After a common contents claim**

If we pay part of, or the full common contents sum insured, the common contents sum insured is automatically reinstated and cover continues for the period of insurance. You should reassess your common contents sum insured. There is no refund of premium if you reduce your sum insured by the amount of your claim.

### **Salvaged building and common contents items**

If we replace or compensate you for an item, we then own the damaged or recovered item. If we agree you can keep an item we will determine the salvage value and we can deduct this amount from any payment we make to you.

### **Our right to recover claims we pay from those responsible**

## Report insurance fraud

Insurance fraud is not a victimless crime. It imposes additional costs on honest policy holders and wastes the valuable resources of our community. This means it affects everyone.

We actively pursue fraudulent and inflated claims in order to keep your premiums as low as possible. Fraudulent claims will be investigated and may be reported to the police.

Help us fight insurance fraud by reporting:

- inflated vehicle or home repair bills;
- staged vehicle or home incidents;
- false or inflated home or vehicle claims;
- home and vehicle fires which may be intentionally started, including by someone known to you.

To report suspected insurance fraud, call **1300 881 725**. Let's work together to reduce the impact of insurance fraud on the community.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer to be paid certain amounts by APRA.

Information about the FCS can be obtained from APRA at [apra.gov.au](http://apra.gov.au) or by calling **1300 55 88 49**.
