1.0 Important information

When reading this policy document, please refer to the Glossary on pages 13-15 which shows the meaning of various terms italicised throughout.

For details on How to contact us, please refer to page 12.

This *policy* document, together with the *schedule*, constitutes *your* insurance *policy* and is evidence of *your* insurance with *us*. *You* should read this document in conjunction with the *schedule* because together they contain important information relating to *your policy*. Please keep this *policy* document and the *schedule* in a safe place. *We* have issued this *policy* to *you* based on the information provided by *you*, to *us* on *your* application for insurance.

This *policy* document and *your schedule* are issued by Suncorp Life & Superannuation Limited ABN 87 073 979 530, AFSL 229880 (Suncorp).

Suncorp Life Protect is not a savings plan. The primary purpose is to provide a benefit under the terms and conditions of the *policy* in the event of a claimable event.

You are the sole *policy owner* and *insured person* listed on the *schedule*. *You* are covered for the insured events under *your policy* 24 hours a day, 365 days a year. If premiums payable under this *policy* are paid (please refer to *Your premium* on page 9), *your policy* will continue until *your* 99th birthday, unless *your policy* stops earlier (please refer to *When does cover start and stop?* on page 4).

From time to time we may also make improvements to *your policy* with no resulting increase to *your premium*. If we make a change to *your policy* which, in *your* opinion was adverse to *you*, we will, if *you* make a claim, assess *your* claim on the terms of the *policy* in existence before the change took place.

2.0 Cooling off period

You have 30 days from the *policy commencement date* to check that this insurance meets *your* needs. This is the cooling off period.

If *you* wish, *you* can cancel *your policy* during this cooling off period by notifying *us* in writing or verbally. If *you* notify *us* verbally, *you* will need to answer certain questions to confirm *your* identity. Provided *you* have not made a claim, *you* will receive a refund in full of any money *you* have paid.

3.0 When does cover start and stop?

Your policy will start on the *policy commencement date* shown on *your schedule*, subject to *us* having received correct payment details.

Your cover will stop on *your* 99th birthday. Cover will also stop under this *policy* on the earlier of the following events:

- *you* ask *us* to cancel *your policy*;
- the date *your policy* is cancelled due to non-payment of outstanding premiums;
- the *expiry date* as stated on *your schedule*;
- the date the Terminal Illness Benefit is paid; or
- the date *you* die.

We will not consider any claim, unless the event giving rise to the claim occurred while *your policy* was still in force. *We* may also cancel this *policy* on any grounds permitted under relevant law by telling *you* in writing.

4.0 Benefits under this policy

This section outlines the benefits payable under *your* Suncorp Life Protect *policy*. *You* are entitled to all the benefits under *Suncorp Life Protect*.

Payment of a benefit is subject to *our* acceptance of *your* claim (please refer to Claims on page 10). The most *we* will pay under this Suncorp Life Protect *policy* is the *sum insured*. The maximum amount *we* will pay across all Life Protect *policies* issued by *us* for the same *insured person* is \$1,000,000 (plus indexation – please refer to Automatic Indexation Benefit on page 8).

No benefit will be paid under this *policy* if the event giving rise to the claim is, directly or indirectly, as a result of an intentional self-inflicted act within 13 months of the *policy commencement date* or the date we confirm reinstatement. Please note that if we accept an increase to *your sum insured*, the 13 month intentional self-inflicted act exclusion will apply for the increased portion.

4.1 Death Benefit

If *you* die during the life of *your policy*, we will pay the *sum insured* as a lump sum to *your nominated beneficiary* (if applicable), otherwise to the *legal personal representative* of *your* Estate.

We must receive notice of any claim for payment of a Death Benefit as soon as reasonably possible.

The Death Benefit stops on *your* 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.2 Terminal Illness Benefit

If *you* are diagnosed with a *terminal illness* by a *registered doctor* during the life of *your policy*, we will advance *your* full Death Benefit.

We must receive notice of any claim for payment of a Terminal Illness Benefit as soon as reasonably possible after *you* have been diagnosed with a *terminal illness*.

The Terminal Illness Benefit stops on *your* 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.3 Funeral Advancement Benefit

If *you* die during the life of this *policy*, we will advance \$10,000 of the Death Benefit to *your primary nominated beneficiary* (if applicable), otherwise to the *legal personal representative* of *your* Estate. This payment will usually be made within 24 hours of receiving the necessary claim requirements (please refer to Claims on page 10).

The Funeral Advancement Benefit is an advance on *your* Death Benefit and will therefore reduce the proportion of

your final Death Benefit payable to *your primary nominated beneficiary* by \$10,000. The payment of this Benefit is not an admission of any liability to pay the balance of the Death Benefit.

The Funeral Advancement Benefit stops on *your* 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.4 Suncorp Premium Protector Benefit

If *you* are *disabled* and unable to work for at least 90 consecutive days due to *sickness* or *injury*, we will pay the cost of *your personal insurance policies* (held in *your* name and/or in *your partner's* name) with Suncorp Insurance for the following 12 months, up to a maximum of \$2,000 over the life of *your Suncorp Life Protect policy*.

The Suncorp Premium Protector Benefit will not be paid if *your disability* relates to a *sickness* or *injury* which *you* sought or which would cause a reasonable and prudent person to have sought advice or treatment for prior to the later of the *policy commencement date* or the date we confirm reinstatement.

The Suncorp Premium Protector Benefit stops on *your* 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.5 Lifestyle Increase Benefit

You can increase *your sum insured* each year by \$100,000, without having to provide any medical information if *you* are under the age of 60 and *you*:

- get married;
- or *your* partner give birth to or adopt a child;
- have a child starting high school for the first time;
- purchase a home; and/or
- suffer the death of *your* spouse.

You can also increase *your sum insured* under this Benefit on *your* second *policy anniversary*.

To apply for this Benefit, simply contact *us* for a Lifestyle Increase Benefit application form.

Subject to the maximum sum insured limits on page 5, *you* can increase *your sum insured* using this Benefit up to the value of *your* original *sum insured*. For example, if *your* original *sum insured* was \$400,000, *you* can increase *your sum insured* by a further \$400,000.

Increases to *your sum insured* using this Benefit must occur within 30 days of *your policy anniversary* following the event and they will be offered on the same terms as *your* original insurance with *us*. The intentional self-inflicted act exclusion will apply from the date *we* accept *your* increase for the increased portion (please refer to Benefits under this policy on page 4).

Once *we* accept *your* application, *we* will confirm *your* increased *sum insured* and *we* will advise *you* of *your* new *premium*.

The Lifestyle Increase Benefit stops on *your* 60th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.6 Premium Pause Benefit

If *you* are unable to pay *your premiums*, *you* can contact *us* and request *your premium* be paused for up to 3 months over the life of the *policy*. To activate the Premium Pause Benefit, *you* must have paid *premiums* for the previous 12 consecutive months and *your policy* must have no outstanding *premium* payable at the time of *your* request.

During the period *your premiums* are paused, *your policy* will only cover *you* in the event *you* die as a result of an *accident*. After the *premium* pause has ended and *you* have started paying *your premiums*, *you* will be eligible for all the benefits under *your policy*.

The Premium Pause Benefit stops on *your* 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.7 Automatic Indexation Benefit

We will automatically increase *your sum insured* on each *policy anniversary* by the greater of the *indexation factor* and 5%. *We* will recalculate *your premium* each year to reflect the increase in the *sum insured* in line with the indexation factor (and the *insured person's* age) and *we* will advise *you* of *your new premium* prior to *your policy anniversary* each year.

You can ask *us* not to apply the indexation factor to *your sum insured*. If *you* request this, *your sum insured* will not change.

The Automatic Indexation Benefit stops on *your* 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.8 Premium Freeze Benefit

You can ask *us* not to increase the cost of *your premium*, in which case *your* future premiums will remain the same as the amount *you* froze them at resulting in *your sum insured* decreasing as *you* get older. *We* will advise *you* of *your reduced sum insured* prior to each *policy anniversary*. *You* can ask *us* to end the *premium* freeze at any time by contacting *us*.

The Premium Freeze Benefit stops on *your* 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.9 10% Cash Back Benefit

If *you* have continuously held this *policy* for 3 years, *we* will refund 10% of the *premiums* *you* have paid during the previous 3 years. If *you* continue to hold the *policy*, *we* will do this every 3 years after *your policy commencement date*, for example on *your* 3rd, 6th, 9th etc *policy anniversary*.

For example, if *you* have paid *us* \$1,500 in *premiums* in the first 3 years since *your policy commencement date*, *we* will refund to *you* \$150. If *you* pay \$1,800 in the next 3 years, *we* will refund to *you* \$180 after the 6th anniversary of *your policy commencement date*.

5.0 Your premium

Your premium pays for *your* cover, government fees and charges and administration costs.

The *premium* *you* pay is determined by multiplying *your sum insured* by the applicable *premium* rate. *Your premium* rate is based on the following factors: the *insured person's* age, gender, smoking status and health. Discounts may also be applied. The *premium* stated in the *schedule* applies during the first 12 months after *your policy commencement date*.

Your premium rate is guaranteed not to change for 12 months from *your policy commencement date*. After this period, *your premium* will generally increase each year with age and increases in the *sum insured* for example, as a result of the Automatic Indexation Benefit (explained on page 8). *We* will send *you* a notice prior to each *policy anniversary* confirming *your premium*. *We* can also change the *premium* rate for all policies of the same kind at any time. In the event *we* apply an increase to policies of the same kind, *we* will provide *you* with at least 30 days' notice and *you* will be charged the new *premium* from *your next policy anniversary*.

Premiums received are paid into *our* No. 1 statutory fund. A policy issued in relation to Suncorp Life Protect is not eligible to participate in any surplus arising in *our* statutory fund.

5.1 Paying your premium

Your premiums are payable from the bank account or credit card you nominate. Your premium and the frequency (fortnightly, monthly or annually) you have chosen to pay your premium is detailed on your schedule.

You have up to 14 days (or 30 days if you pay monthly) from the date each premium is due to pay your premiums. This period is called the days of grace. If you are entitled to claim within the days of grace, we will pay the benefit if otherwise payable on the terms explained in this policy document, less the amount of any unpaid premium.

If your premium remains unpaid during the days of grace, we will send a notice to you specifying the date we will cancel the policy without any refund of premium. If the premium remains unpaid, we will also provide written notice of cancellation to you at the address last advised to us. We will not be liable for any claims after the date of cancellation.

If we cancel your policy due to non-payment of premiums, you can complete an Application for Reinstatement and return it to us for consideration within 12 months of the policy's cancellation date. In order for us to process your Application for Reinstatement, we can ask for information relating to (but not limited to) your health and all outstanding premiums must be paid by you. If we accept your reinstatement, the 13 month intentional self-inflicted act exclusion will apply from the date of reinstatement.

6.0 Claims

If entitled to make a claim, you, your nominated beneficiaries or legal personal representative can contact us on 1800 604 689 and we will then send a claim pack that needs to be completed to our satisfaction and returned to us.

If you have made a valid nomination, which we will confirm with you in writing, we will pay any benefit payable as a consequence of your death in accordance with your nomination, subject to any relevant terms and conditions which may apply as explained on your Nomination of Beneficiary form.

We may ask for information we might reasonably need and obtain medical and other records to ensure that the terms and conditions of the policy as set out in this policy document are satisfied.

You or your legal personal representative will be required to pay for the cost of satisfying these claim requirements, unless *we* notify *you* otherwise.

To assess *your* claim promptly, *we* need to ensure the information provided to *us* at the time of application is correct, for example *your* age and smoking status. If *we* have received any false information, *we* may refuse the claim, adjust the *premiums* paid by *you* or the benefit payable by *us*.

We may refuse the claim if *we* are disadvantaged by any delay in notifying *us* of a claim.
